REPORT

SPRING 2017

From the Supervisor – Kathy Penner

Wheeling Township's Town Meeting on April 11, 2017 was the perfect opportunity to present awards to local organizations in recognition of their efforts to help the Township fight hunger and offer joy at the holiday season. Year after year they support our mission to help our neighbors. **We are most grateful for all their assistance.**

Arlington Heights Rotary — President Jim Bertucci and Kari Kobernick

For the past decade, the Arlington Heights Noon Rotary has been donating 75 Thanksgiving baskets each year. They have provided countless refurbished used bicycles for children and needy adults as well as hundreds of cloth bags for food pantry recipients to help with the environment. In addition, last year they held quarterly food drives to rescue the pantry when donations were low. They are not only Neighbors Helping Neighbors, but also the embodiment of their own mission of "Service above Self!"

Arlington Community Church — Pastor Dave Corlew

For the past 10 years, Arlington Countryside Church has been participating in our Adopt-a-Family Christmas program. Congregation members generously buy, wrap and deliver gifts for at least 50 people each year. Thousands of smiles and wonderful Christmas memories would not have been possible without Arlington Countryside's ongoing commitment to this program. They are neighbors sharing the joy of the holiday season!

Our Redeemer Lutheran Church — Pastor Rod Krueger

Our Redeemer Lutheran Church has embarked on a mission to wipe out hunger. In the last 5 years, congregation members have donated food 32 times to our pantry. In the last 2 years, they have increased their donations to every month and raised more than \$2,100 to purchase food. They are neighbors feeding neighbors!

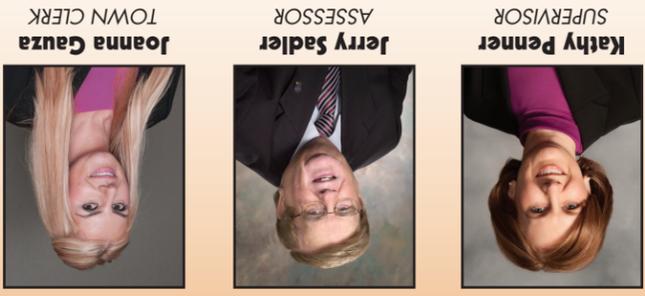

Prospect Heights Lions Club — President Mark Toll

Since 2012 the Prospect Heights Lions have donated \$5,400 to the food pantry to help keep the shelves stocked. In addition, they regularly donate to subsidize those homebound residents who cannot pay for Meals on Wheels –\$2,200 since 2014. Lions Clubs are known for meeting humanitarian needs around the world. The giving spirit of the Prospect Heights Lions Club affords us the opportunity to further help countless neighbors in our neck of the woods.

Thanks to Those Leaving Office and Welcome to our New Trustees...

Best wishes and many thanks are extended to **Mike Domrzalski, Robert Hoban** and **Scott Saewert** for their many years of service to the residents of Wheeling Township. Join me in welcoming Trustees **Brian Medley** and **Jeffrey Battinus** to the Township's team and bidding them much success in public service.

FOOD PANTRY CELEBRATES 5 YEARS OF CLIENT CHOICE...

April marked 5 years since Wheeling Township re-opened its food pantry as a Client Choice Model. Unlike traditional pantries where food is pre-packed for the recipients, a client choice model allows "shoppers" to choose the items from the shelves for themselves. The idea behind this type of pantry is that recipients know what food their families eat and the statistics for use of the food pantry have confirmed just that.

In five years, there have been 24,893 visits to the food pantry. Those visits fed 59,321 people, of which 18,674 were children. The monthly use average for the food pantry prior to the Client Choice Model was 132 visits. Visits have increased every year since. During FY 16-17, the average is an astounding 471 visits per month!

Here are some other facts about the food pantry:

- The food pantry is part of a 501(c)(3) not-for-profit organization named The Wheeling Township Emergency Fund, which is separate from Wheeling Township government.
- Donated funds, not tax dollars, support the pantry operation.
- It takes a crew of 46 volunteers to make the food pantry run! They work 11 shifts per week, at 3 hours each.
- ALL donated food comes from local community groups, businesses, schools and private citizens. Monetary funds donated are used to purchase food.
- 87,172 lbs. of food have been purchased from the Greater Chicago Food Depository since 2012. Last year, the average cost was only 37 cents per pound.
- Senior citizens use the pantry more often than any other age group.
- Recipient check ins are done electronically, to ensure the statistical data is accurate.
- Funding from grants have purchased a freezer, a commercial refrigerator, 4 shopping carts and 2 flatbed carts, all of which are vital equipment to keep the pantry operational.
- Most shopping days serve 47-55 families, at the rate of 3-4 families every 15 minutes.
- Search, Inc., a local social service agency for disabled adults, works 2 shifts each month.
- Rotary Club of Arlington Heights Sunset works an evening shift every month to re-stock shelves, as well as donates eggs & cheese.
- The Noon Rotary Club of Arlington Heights quarterly donates food and cloth grocery bags, to ease the burden on shoppers and help save the environment.
- The Giving Garden program supplements the non-perishables with fresh garden vegetables & fruit during the summer months.
- Essential non-food items, like soap, shampoo & toilet paper are also available in the food pantry, which is important because they cannot be purchased with SNAP benefits (formerly Food Stamps).
- *Want to donate, but not sure what is needed?* You can sign up to receive an email each month listing the top 5 most needed food items.
- EVERY donation makes a difference!

We are grateful and proud to be in a community which so diligently supports our pantry. It is truly the definition of "Neighbors Helping Neighbors"! We look forward to 5 more years of success in trying to help wipe out hunger.

ABC Plumbing, Heating, Cooling and Electric of Arlington Heights collected more than 300 lbs of food during their food drive in March!

Thank You to the residents & management of Mallard Lake Apartments in Wheeling for a \$500 donation to the Food Pantry in March.

If you were born in 1951 or earlier, you are entitled to a senior exemption along with your homeowner exemption on your primary residence only. **All senior exemptions must be renewed every year.** If you have any questions, or need assistance filing for your exemption, please call us at 847-259-1515. **We ask that you have your tax bill with your property index number (PIN) available.** The PIN is found at the top of the property tax bill.

The Cook County Assessor maintains a branch office at the Skokie Circuit Courthouse building located at 5600 W. Old Orchard Rd., Room 149, Skokie, IL 60077. Their phone # is 847-470-7237. You will have another opportunity to file an appeal with the Cook County Assessor for next years assessed value. We are tentatively set to open for appeals July 7, 2017. You can check the website www.cookcountyassessor.com. We are available to assist you by providing information and direction on filing your appeal. FROM THE HIGHWAY DEPARTMENT

Wheeling Township has jurisdiction over five miles of unincorporated roads in the following areas:

- Forest River subdivision
- Portwine Road and Forest View Road
- Dunlo subdivision
- Buffalo Highlands subdivision

As in the past, all road maintenance work is subcontracted. We also enforce Township and Road Right-of-Way ordinances.

Projects planned for the 2017 season include:

- Road drainage improvements along Morrison Avenue from Graylynn Dr. to Lee Street
- Crack sealing along Lee Street
- Annual pot-hole patching throughout the unincorporated areas
- Work with Cook County on the purchase and demolition of six flood-prone houses in the Forest River subdivision.
- Other projects as availability of budget permits.

Feel free to call Highway Manager Tom Neitzke, or Administrator Jo Stellato, with questions.

INTERGENERATIONAL FUN...

GENERATION2GENERATION

Wheeling High School's AVID Program Coordinator Bruce Varela (L), and Wheeling Township's Senior Advisory Council members Rich Rosen and Kathy Kasproicz (R)

Generation2Generation, a program initiated two years ago by Wheeling Township's Senior Advisory Council, links residents of the Lexington Health Care Center and Wheeling High School AVID students and provides an opportunity for students to connect and communicate with senior residents.

The program was held again on April 10th. Nine Wheeling High School students were matched up with Lexington residents – the end result? ...*Discovering they had more in common than expected!*

Generation2Generation is a catalyst for intergenerational experiences which benefit both the senior citizen and student, creating and developing new relationships and broadening understandings.
