## WITH OUR VERY BEST WISHES AND GRATITUDE TO JO STELLATO

*Josephine Stellato*

After serving 37 years at Wheeling Township, we bid farewell to long-time **Director of Finance and Administration, Josephine (Jo) Stellato**, who retired on June 1st. Over the years, Jo has been very instrumental in the growth of the Township, serving under 5 different Administrations with the utmost attention to detail, direction and dedication.

Through her direction, we saw the growth and impact of the organization — from the **Wheeling Township Transportation Services**, which annually provided over 25,000 rides to assist seniors and disabled adults — to the **“Client Choice” Food Pantry**. This model allows participants the opportunity to shop from the shelves for the items and perishables that their families normally consume. Her dedication has provided nutrition and dignity to over 5,000 families and seniors within the Township this past year alone!

She also was devoted to working with the Senior Services and Disabilities Department to help with the growth and expansion of the **Meals on Wheels Program** which, in combination with Lutheran Home Culinary Services department, and the countless and dedicated Volunteer Drivers, provided over 13,000 nutritional and dietary restricted meals to our homebound residents in the past year.

Jo Stellato and past **Supervisor Michael Schroeder, DDS**, were very instrumental in the formation of the **Wheeling Township Mobile Dental Clinic**. Through Stellato's grant writing and determination, in collaboration with Northwest Community Hospital and Elk Grove, Palatine, and Schaumburg Townships, they were able to provide low-cost or in some cases pro-bono dental services for low-income families and children, especially during the school year when dental care is mandated by the state.

Jo has also been responsible for many spin-off programs that have proved successful just by her involvement and dedication. In November of 2014, she initiated a program that involved transportation for Great Lakes Naval Training recruits, reaching out to the community to help raise the funds to provide a motor coach to afford 50 new recruits the opportunity to be hosted to a Thanksgiving at American Legion in Arlington Heights. Through an outpouring of generosity to her request, the very successful **“Seats for Sailors”** program was born!

Jo has always been a strong advocate of utilizing all available resources responsibly. Smart government has been the cornerstone of her philosophy in all her years of dedicated leadership. She was instrumental in the development of **Wheeling Township's Strategic Plan** — including the reduction of reserves, establishing partnerships within governmental bodies, and applying for and procuring many grants lowering the tax burden on services to Township residents.

It is with mixed emotions that we bid Jo farewell. She had been a professional in every sense of the word, as well as an advocate, leader and friend to all of us involved within Wheeling Township. She has tirelessly shared her time, talents and treasures with the Township on behalf of the entire community. Her knowledge, leadership, and expertise will be missed, as she has truly exemplified our motto of **Neighbors Helping Neighbors!**

## TOWNSHIP ROAD MANAGEMENT

### Help Keep Drainage Ditches Clean and Flowing...

With all the recent heavy rainfalls, we thought it would good to remind our unincorporated residents that our roads use ditch and culvert systems to handle drainage. They are designed to collect moisture from the road pavement and elevated properties, and drain it into storm sewer basins at strategic locations. To function as intended, these ditch and culvert systems depend on mutual Township and resident cooperation. The Township is responsible for maintaining drainage pipes that cross under roads and the storm sewer system that the basins drain into.

Township residents are responsible for their driveway apron and the culvert that runs beneath it. This means keeping the pipe clear of obstruction to allow water to flow freely through it. Water pressure from a garden hose should be sufficient to clear a culvert of debris if done on a regular basis. If debris is allowed to become packed, a contractor with more powerful equipment may be required.

In addition, residents are responsible for maintaining the ditch in the front of their property by simply raking out leaves and grass clippings that may accumulate. It is important to grow and maintain a grass covering in the ditches to prevent silt from accumulating and clogging culverts and drainage pipes downstream.

This mutual resident and Township cooperation will help assure that the entire drainage system operates at its maximum capacity for the benefit of both you and your neighbors, and help keep costly drain system and road repairs to a minimum.

If you have any questions, please direct your calls to Tom Neitzke at 847-259-7730 ext 41 or Regina Stapleton at 847-259-7730 ext 11.

### VEHICLE STICKERS:

For residents of **unincorporated** Wheeling Township – **don't get caught without a valid vehicle sticker!** The new stickers should have been purchased and displayed by July 2, 2018 to avoid a ticket and an increased cost of buying the vehicle sticker. If you missed the deadline, it is still **cheaper to buy a vehicle sticker and pay the late fee than to receive a ticket** and still have to pay the late fee. The Cook County Vehicle Stickers for the **unincorporated** areas are available for purchase at Wheeling Township. Online vehicle sticker purchases are also available at the following link - <https://www.cookcountyil.gov/agency/department-revenue>.

Stickers are valid from July 1, 2018 until June 30, 2019. The cost for stickers varies, but generally an automobile is \$80, a small truck is \$100 and a motorcycle is \$50. Senior citizens (65 years and older) can receive up to two stickers free of charge and others eligible for no fee stickers are individuals with physical disabilities and disabled veterans. If you have purchased a vehicle within the last 30 days or moved to an unincorporated area within the last 60 days - you will not be charged a late fee. Please bring a check or money order to purchase your sticker, as we cannot accept cash or credit cards. If you have any questions or comments, please contact me at [jgauza@wheelingtowship.com](mailto:jgauza@wheelingtowship.com).
